From our Director of Missions

Can you believe this year is almost one third over? As I think about the upcoming days I am excited about the many ways God is at work in the churches of the Warren Association. We have a good number of churches that are in the process of Find It Here 2011, praying for three individuals that do not have a relationship with Christ. After this 21 day of prayer, they are seeking ways to share the gospel with these individuals. My prayer is that we see a great harvest; however, our job is to be obedient and leave the results up to the Lord!

Have you heard of Transformational Church? Transformational Church is a LifeWay project that allows churches to get a better grip on who they are and what direction they need to move. We have a great opportunity on April 12 from 9 a.m. to mid-afternoon. Eddie Clay, a representative from LifeWay, will be with us to give more information about Transformational Church. This event is for pastors and staff of our churches. I look forward to this day to explore another tool that could be used in your church. Please let us know your intentions to attend as lunch will be provided.

As we move toward Easter, let me remind you that this CELEBRATION is about the greatest gift mankind has ever received, the gift of GRACE from a God that loves us! Let us strive to Make Him Known to those closest to us!

In His Name,
Jeff Crabtree
