**From our Director of Missions**

As we enter March, I want to keep our focus on the lostness of our area! We have this huge epidemic of people without a relationship with Jesus. So my March challenge to myself and each person in our association is to begin praying specifically for people we know that are lost. Just a few weeks ago I was at a Sunday service where two ladies came forward at the invitation. One of the ladies had been baptized the week before but this week she came forward with her best friend. She had shared what God had done for her and now her friend was accepting the gospel. WHAT a testimony that we each should be sharing Christ with those closest to us. Join me this month to pray for three to five people that are lost. Think about your family. Is one of them lost? Think about your neighbors, is one of them lost? Who in your sphere of influence does not know Jesus? Let us make a commitment to begin to pray and ask God to use us to share His glory to those we know!

In His Name,  
*Jeff Crabtree*
