Purpose of the One-Hour Witnessing Workshop

The purpose of this training is to equip believers with the “basics” of using their personal story/testimony along with the One-Day Witnessing Card to share the gospel with lost family members, friends, and church or Sunday School prospects. **Since time is very limited, it is imperative that those participating in the workshop come with their story/testimony already prepared.** The One-Hour workshop is a wonderful introduction to personal witness training. Additionally, participants in the One-Hour workshop would benefit greatly by participating in the One-Day workshop. The One-Day workshop provides for a more intensive time of training along with an evangelism opportunity/witnessing experience of some kind.

A time for an evangelism opportunity/witnessing experience is not included in this schedule, however, it should be highly encouraged that all participants share their personal story/testimony along with the witnessing card in the next week.

The One-Hour Workshop Leader

The One-Hour Workshop leader should be someone who has a passion for the lost, be a good teacher, and is a personal soul-winner. If at all possible it should be the pastor. If that is not possible, the leader should be someone who has a passion for and experience in personal evangelism.

The leader will need copies of the Leader's Manual and will need to have studied and reviewed each section carefully. **A key requirement for the One-Hour Workshop leader is the ability to share his or her personal story/testimony as well as use his or her story/testimony in the context of the One-Day Witnessing card.** Therefore, the leader needs to have prepared his or her personal story/testimony and to have studied and practiced using the card in preparation for the teaching sessions. In the teaching session the leader will be expected to concisely share his or her personal story/testimony and to be able to show the class how to share the gospel by using the One-Day Witnessing Card.

The Leader's Manual for each section is designed to make the teaching very simple. Each section of the Leader's Manual has a lesson purpose and the necessary teaching notes. The PowerPoint slides and overhead masters follow these teaching notes, and each slide or cell to be used is clearly indicated. The leader can, for the most part, teach each section from the PowerPoint presentation or overhead masters. In preparation for each section, the leader should review the PowerPoint slides or the overhead masters along with the Leader's Manual.

Preparing for the One-Hour Witnessing Workshop

1. Read through all of the teaching material.
2. Duplicate copies of the personal story/testimony worksheet and give to all participants before the workshop. A goal would be to distribute it at least one week in advance.
3. Make sure listening guides are available for all participants.
4. Order enough witnessing cards for each participant to have at least three each.

Training Materials to be Downloaded/Duplicated/Ordered

All of the One-Hour Witnessing Workshop materials with the exception of the One-Day Witnessing Card are available for downloading free at www.namb.net/onedaywitness. This includes the Leader's Manual, listening guides, a PowerPoint teaching presentation, and overhead cell masters. The card is available for purchase from the North American Mission Board. Call 1 866 407-6262 to order.

Each participant will need a copy of the Listening Guide for each of the sections. They will also need a minimum of three One-Day Witnessing Cards. Participants should be encouraged to bring their Bible to the training.

Training Equipment and Room Arrangement

Set up the training room for a productive teaching environment. Since participants will be writing and using handouts, have an adequate number of tables and chairs. If you are using PowerPoint or an overhead projector, make sure you have a screen or white blank wall at the teaching end of the room. A table at the front of the room for laptops, overheads, materials, and so forth will be necessary. If you need a lectern, secure one before the training. If the crowd is large, you may need to arrange for a sound system and microphone.

Have water and mints placed on each table along with extra pens or pencils. All duplicated and ordered materials should be easily accessible.

Notes

Welcome!

CELL 1A

Purpose of Section:

To verify the biblical mandate for personal witnessing and the claim that Jesus is the only way to salvation

Enlist someone to read Matthew 28:18-20.

CELL 1B

Ask:

What does this passage clearly tell us to do?

Answers:

Go and tell, make disciples, teach, baptize, make believers, and so on.

Say:

Clearly this passage tells us to be a witness for Christ. It is the biblical mandate. It expresses the marching orders of the church and every individual that has been saved. This passage is referred to as the "Great Commission."

CELL 1C

Thank you for making a commitment to be present at this training. It reflects your desire to be obedient to the cause of Christ and to be vitally involved in His commission.

CELL 1D

Enlist someone to read Acts 4:12.

Ask:

What does this passage say about salvation?

Say:

The message of this text is clear. It is only through Jesus, there is no other way to salvation.

CELL 1E

Ask:

So, if we have been given a commission, and if there is no other way to be saved other than through Jesus Christ, how should these two verses affect the way we live our Christian lives?

The answer is obvious:

We should be obedient to the commission of Christ and to seek to share with others the good news that salvation is available through Him.

- Welcome each participant and open with prayer.
- Make sure that each individual has the necessary materials.
- Give an overview of the training schedule you will use.
- Make any necessary announcements. Make sure that each participant has a partner with whom to practice sharing their story/testimony and using the witnessing card presentation later in the training.

Section One

Leader's Manual

Notes

CELL 1F

Say:

This is an issue for many believers. They want to be obedient in this area, but they simply do not know how to share this good news, and this causes them to be fearful. Today we will teach you a very simple process by which you will be able to share this good news as you seek to be involved in this commission.

CELL 1G

Lead your class to make this commitment:

To the best of my ability, and with the Lord's help, I will share Christ as opportunities arise.

Say:

If this expresses your desire, sign your name on the line as a confirmation of your commitment.

Close this section with prayer that each individual present will follow through on this commitment.

“We do not need to fear going anywhere to share the gospel. The success we seek is not our own. It is not determined by our worth or abilities. We seek Christ’s success, and that success is determined by His will and authority.”

How To Begin A Witnessing Conversation

CELL 2A

Purpose of Section:

To help the believer understand how to begin a witnessing conversation

Say:

In any witnessing conversation it is very important to be natural. Just be yourself and allow your own unique personality to come out in the conversation. Smile and enjoy people with whom you will have an opportunity to share. Remember, you are reflecting the life and love of Jesus Christ!

CELL 2B

Ask:

When you are in a conversation with someone, what areas are typically discussed?

Answers:

hobbies, interests, things you have in common, backgrounds, work, family members, current issues, religion, and so on

Starting a witnessing conversation is really no different than starting any other conversation! You are seeking to build a relationship!

Say:

To assist you in starting a witnessing conversation, use the simple acrostic C.A.S.T. to help keep you on track.

Remember: Seek to build a relationship.

“Almost every day, we come to evangelistic turning points. We make the choice whether to help rescue these people from danger or to walk the other way.”
—Lee Strobel, *Inside the Mind of Unchurched*
Harry & Mary

CELL 2C

Using C.A.S.T.

C: Stands for Connection

Seek to make a connection with the person.

Talk about the person's background:

Where are you from originally?

How long have you lived here?

Other questions:

If you are already acquainted, ask about family members or mutual friends.

Section Two

Notes

Leader's Manual

CELL 2D

A: Stands for Activities

Find out about the person's work, hobbies, or interests.

You may ask:

What kind of work do you do?

What do you enjoy doing in your spare time?

For students, What courses are you taking?

If you notice evidence of their interests such as sports, books, art, and so on, you may ask a question or comment about these.

Seek to discover commonalities.

CELL 2E

S: Stands for Spiritual Matters

This is the real heart of the conversation. Find out whether the person is open to discussing spiritual matters.

Questions you might ask:

Would you consider yourself to be a spiritual person?

Do you ever think about spiritual things?

If they are not sure what you mean, say things like heaven, prayer, God.

Some like to use diagnostic questions such as:

Do you know for sure that you will go to heaven when you die? Can I share with you my story of how I came to be sure?

CELL 2F

T: Stands for Tell Your Story

If the person is open to your sharing, continue by sharing the gospel.

Leader, allow time in this section for each participant to practice using C.A.S.T. with his or her partner.

Section Three

Leader's Manual

Your Personal Story/Testimony

Notes

CELL 3A

Purpose of Section:

To help the believer understand the importance of a personal story/testimony, how to develop and share it with an unbeliever

Say:

A personal testimony is one of the most basic tools that can be used for witnessing. It is simply your story of salvation. A personal story/testimony is a personal account of your life before you made a commitment to follow Jesus, how you came to know Jesus personally, and how Jesus has changed your life since you came to know Him personally.

"A personal testimony is difficult to refute. The experience has happened to you. You are a specialist on your own story. The antagonistic Pharisees had no defense for the simple, forthright testimony of the blind man who had been healed."

—Darrell W. Robinson,
People Sharing Jesus

CELL 3B

A personal story/testimony is divided into three areas:

1. My life before I made a commitment to follow Jesus

This section includes what your life was like before coming to Jesus. Loneliness, lack of purpose, and no hope may all be part of your story. It culminates in the discovery that each of us are in need of a change and a recognition that humankind's most basic problem is sin.

CELL 3C

2. How I came to know Jesus personally

How did this occur in your life? Was it in a worship service that you came to know Christ? How did you discover that God loves you and that Jesus died for your sins? When and where were you when you received Jesus as your Savior? This part of your story communicates the circumstances and events surrounding your life-changing encounter with Christ.

CELL 3D

3. How Jesus has changed my life since I came to know Him personally

The last part of your story communicates briefly how your life is now different as a result of salvation. Indicate the impact He has had on your life. You may want to examine statements that you made under point 1 as you write out this portion of your story/testimony.

Section Three

Leader's Manual

Notes

CELL 3E

An excellent model of a personal testimony and its use is found in Acts 22:3-16.

Acts 22:3-5

Describes Paul's life before Christ

Acts 22:6-13

Describes how Paul came to know Christ

Acts 22:14-16

Describes how Paul's life was changed

CELL 3F

Characteristics of a Personal Story/Testimony

Say:

Your personal testimony is very important:

It has **authority**

No one can refute it; it happened to you!

It **communicates**

It is a wonderful resource to communicate the reality of how Christ has changed your life!

It **relates**

Everyone alive has a spiritual void that can only be filled by a personal encounter with Jesus Christ.

It is **powerful**

God can use your story/testimony to impact lives and to reveal the life and love of Jesus Christ to a lost and dying world.

CELL 3G

Say:

What if you accepted Christ at a very young age?

Notice the box in your notes on the far right column

- *Focus upon a defining moment in your life when your faith was tested and affirmed*
- *Focus upon how Christ has protected you*
- *Focus upon the direction your life could have gone*
- *Focus upon what Christ saved you from*

Leader, take a moment and share with the class your own personal story/testimony.

CELL 3I

Writing Your Personal Story/Testimony

Give your class the following instructions for writing their personal story/testimony.

Leader, if the participants have already written out their story/testimony before this section, encourage them to review and evaluate it in light of the suggestions below.

Use the Personal Story/Testimony Worksheet to write out your story/testimony.

Be brief. Your story/testimony should be no longer than three to five minutes.

Be specific, but leave out unnecessary details.

Try to avoid Christian lingo and words that the hearer may not understand.

Stress that even though Christ has changed your life, you are still not perfect.

CELL 3J

After the class has had time to write out their personal story/testimony (or if they have already written it out before the class) give them time to share their stories with their partners.

Using The One-Day Witnessing Card

CELL 4A

Purpose of Section:

To learn how to use the One-Day Witnessing card in a witnessing conversation

NOTE: Each person must have a copy of the One-Day Witnessing Card.

Say:

This card is to assist you in sharing the gospel. What makes this card unique is that you personalize the gospel presentation by including your own story/testimony.

The card was designed to fit nicely in your wallet or purse. Keep several handy as you seek to be a faithful witness for the Lord.

CELL 4B

When using the One-Day Witnessing Card

- Sit or stand beside the person
- Fold the card so the prospect can see only the page you are reading/using
- Point to the words/verses with finger or pen
- Call the person by name while using the card

CELL 4C

As you look at the card, notice that it contains Scriptures, transitional statements, questions, and three small arrows ⇄. The simple Scriptures used are foundational to the gospel; they are in black. Transitional statements and questions are in purple. They assist you in moving from one idea or context to the next. These are designed to provoke thought and to lead the person to respond to the gospel. The small arrows are placed strategically to let you know when and where to include the various components of your personal story/testimony. Each page of the card will be reviewed in detail in this section.

CELL 4D

As you first begin to use this card, you will probably need to refer to it throughout a witnessing experience. However, as you memorize or become more familiar with the verses and transitions, you will discover that you will use or refer to the card less and less.

Leader, this is the most important part of the workshop. Please make sure that you know how to use the card and can demonstrate its use to your class

CELL 4E

How to use The One-Day Witnessing Card

The card is only a guide to assist you in communicating the essentials of the gospel. It does not contain every word you will say in your witnessing conversation.

As you practice using the card, put your personality into it and feel free to include further transitional statements and concepts. Each person with whom you will be sharing will be different. Learn how to smoothly transition from one area to the next.

For example:

When you come to a Scripture reference, say something like:
 “The Bible says,” or “I discovered the Bible teaches that” or “God says.”

CELL 4F

Begin the witnessing conversation by using C.A.S.T.

(Refer to Section Two for C.A.S.T)

As the Holy Spirit leads, begin to share the first part of your testimony: “My Life Before Making a Commitment to Follow Jesus” (as indicated by the small arrow). As you proceed, use the witnessing card to assist you in sharing the gospel.

Everyone needs a change in life.
 “All have sinned and fall short of the glory of God” (Rom. 3:23).
 “The wages of sin is death” (Rom. 6:23).
Our sin separates us from God.

The wonderful truth about God is:
He loves us even though we are sinners.
 “For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life” (John 3:16).

He sent His Son, Jesus to die for our sins.
 “The Word (Jesus) became flesh and dwelt among us” (John 1:14).
 “Christ died for our sins . . . and that He rose again the third day” (1 Cor. 15:3-4).

CELL 4G

The first part of your story/testimony should culminate in the recognition that you needed a change in your life because of sin. The diagram on the first page illustrates humanity's separation from God. The clouds represent God and heaven. The people at the bottom of the card represent all of humanity. The dark blue section of the card illustrates the truth that humanity is separated from God because of sin. The truth that should be shared from the first page is that humanity is separated from God because of sin, but God loves us in spite of our sin and has provided a means for our sin to be forgiven.

SAMPLE TESTIMONY

CELL 4I

At the second arrow share the second part of your story/testimony: "How you came to know Christ personally."

Through Jesus, God offers us forgiveness of our sin and the gift of eternal life.

"The gift of God is eternal life in Christ Jesus our Lord" (Rom. 6:23).

"But as many as received Him, to them He gave the right to become children of God" (John 1:12).

God wants us to be a part of His family forever!

"I have come that they may have life, and that they may have it more abundantly" (John 10:10).

Would you like to receive God's forgiveness and His gift of eternal life?

Continue the witnessing conversation by reading or referring to the One-Day Witnessing Card: The diagram on the second page of the card illustrates the truth that it is only through the cross that humanity can experience God's forgiveness and the joy of becoming part of God's family.

This section of the card also verifies through Scripture what Christ wanted to do in your life. You then responded through faith as the second part of your testimony indicated.

CELL 4L

Every believer could write a book describing the impact that Christ has made in his or her life. However, the attention span of most people is very short. In an effort to keep your presentation brief and to the point, share in a sentence or two the impact He has made.

Examples:

- And since then He has become a friend that is always there.
- And since then He has brought me peace.
- And since then He has brought purpose and meaning to my life.
- And since then He has been a daily source of strength.

Drawing the Net

Look at the simple question at the bottom of the card:

Through Jesus, God offers us forgiveness of our sin and the gift of eternal life.

"The gift of God is eternal life in Christ Jesus our Lord" (Rom. 6:23).

"But as many as received Him, to them He gave the right to become children of God" (John 1:12).

God wants us to be a part of His family forever!

"I have come that they may have life, and that they may have it more abundantly" (John 10:10).

Section Four

Notes

Leader's Manual

CELL 4Q

The question used after the Scripture begins a process of “drawing the net,” beginning the invitation process, affirming the fact that God’s desire is that we be in His family.

- Be sensitive to the person with whom you are sharing at this strategic point.
- Be prepared for questions.
- See your sharing as a conversation rather than an uninterrupted presentation.

CELL 4P

Ask:

Would you like to receive God’s forgiveness and His gift of eternal life?

- If the answer is “yes,” continue by leading the person into repentance. Continue reading the card by going to the top of next page.
- If the person hesitates or says “no,” deal with their response in a positive manner. You may say, “What do you feel is keeping you from making a decision?”
- If the person continues to hesitate or refuse, leave the door open for future opportunities.

CELL 4Q&R

Repentance is turning to God through Jesus and away from our sin. It is like making a U-turn. The diagram on page 3 is a U-turn sign that has been reversed forming a J. The J is a reminder that repentance is only available through Jesus Christ.

The Bible teaches that we must turn from our sin, which is repentance.

“Repent . . . and be converted, that your sins may be blotted out” (Acts 3:19).

“I am the way, the truth, and the life. No one comes to the Father except through Me” (John 14:6).

We must place our trust in Jesus alone for new life.

You can become a follower of Jesus by turning away from your sin and trusting Him alone as your Lord and Savior.

You can do this now by inviting Jesus into your life through prayer.

Encourage the person to receive Christ.

If the person says “yes,” lead them in the prayer of salvation found at the top of the next page of the card.

CELL 4T

Dear Jesus,
 I want to follow You. I turn from my sin and place my trust in You alone and ask for Your forgiveness. Right now, I receive Your free gift of eternal life and welcome Your control of my life. Thank You for loving me and dying for me. And thank You for giving me new life.

If the person hesitates or says “no” to your offer to lead them in a prayer you may say, “Let me share with you a prayer that is very much like the one I prayed when Jesus came in and changed my life.”

Then read the prayer in the card.

Ask:

“Does this prayer say what you would like to say to God?” Again, seek discernment from God to know whether to continue. They may want to pray this prayer at a later time. Always seek to leave the door open for further ministry at the same time recognizing the urgency of accepting Christ today.

Immediate Follow-up

CELL 5A Purpose of Section:

To help the believer understand the importance and process of immediate follow-up
If you have the wonderful privilege of leading someone to Christ, the necessity for follow-up falls squarely on your shoulders! Make this just as much of a priority as when you originally shared Christ. Evangelism and discipleship are two sides of the same coin.

CELL 5B *Once a person has accepted Christ, congratulate them! This is the greatest decision they will ever make! The old has passed away, and they have become a new creation in Christ!*

CELL 5C **Ask:**
How does 1 Peter 2:2 refer to a new believer?
Answer: a newborn babe
Who did Jesus tell Peter to feed in John 21:15?
Answer: "my lambs"

CELL 5D *What are some of the immediate needs of a new believer?*
Answers may include: Bible study, baptism, discipleship, friends, a Sunday School class, a church home.

CELL 5E **Say:**
Immediate follow-up is imperative. It begins at the point of conversion. Just like taking care of the needs of a newborn, God expects you to attend to the needs of the new believer.

"Follow-up procedures are not complete until the convert has been taught to study God's Word, to pray, to live the Christian life, and to walk with Christ."

There are five areas that new believers need to immediately embrace as they begin their new lives in Christ. These are listed at the end of the card. These areas need to be reviewed with the new believer.

- Read the Bible every day.
- Pray daily.

Ongoing Follow-up Until Assimilation

Say:

Every effort should be made to assimilate the new believer into the life and ministry of the church. Make sure that you have correct contact information and provide that information to your church leaders.

- Continue weekly contact with the new believer, providing him or her with Bible study materials, such as Beginning Steps, Let the Celebration Continue, or other resources for new believers.
- Enroll the person in your Sunday School/small group ministry.
- Visit with the person in his or her home.
- Be sensitive to the spiritual needs of other family members in the home and share Christ with them.
- Provide the person transportation to your church, if needed.
- Sit with him or her in worship and introduce the new believer to your friends.

CELL 5I

Put into practice what you have learned to do by sharing Jesus with someone you know who needs Him!
